

Blower Repair

8100 Slauson Ave. Montebello, CA 90640

(888) 870-0125

Powers Bros. has over 100 years of combined experience in blower repairs on all major brands. We will ensure the highest quality repair and back it with a one-year warranty. Powers Bros. takes pride in every repair and has built a reputation for high quality repairs at an economical cost.

We are honored to be the number one repair facility of choice for some of the largest corporations in the Southern California. Our blower evaluation process begins with a careful inspection by a trained technician cataloging all parts to provide our clients with a full assessment reports with pictures.
